February 09th - February 13th, 2012

Jay Overton and the Corales Golf Club cordially invite you to join us for this incredible Pro-Am in one of the world's most beautiful locations, Puntacana Resort & Club in the Dominican Republic.

The Pro-Am event is a five day four night package with one practice round and two tournament rounds at the spectacular ocean side golf course, Corales, designed by Tom Fazio. An optional round of golf will be available on the P.B. Dye designed La Cana Golf Course either on your arrival or departure day. Practice facilities at both La Cana and Corales will be available during the entire stay.

The Corales golf course is a unique experience that will take you from inland holes bordered by lush trees and vegetation to holes playing beside crystal blue lakes and ultimately along oceanfront cliffs and crashing waves. Seven holes feature breathtaking ocean views. The final three holes are symbolically named "The Devil's Elbow", the most scenic and yet toughest finishing holes in the Caribbean and perhaps in the world.

There will be a maximum of twelve teams consisting of four members and one golf professional. The professionals will compete for a total purse of US\$ 4,800 and the members will compete for US\$ 9,000 in prizes.

Accommodations are provided by the Puntacana Resort & Club. All participants will stay in comfortable Ocean View Suites or Beach Casitas with stunning views of the Caribbean Sea. Accommodations are based on double occupancy. Single rooms can be requested and will have an additional charge of US\$ 300 for the duration of the stay. Spouses are welcome to join the players and will have a charge of US\$ 840. Additional nights are available. Please request by e-mail to info@grouppalmera.com
