Resort & Club

Punta Cana, Dominican Republic

Corales Hole 8

La Cana Hole 17

Corales Hole 11

For an avid golfer, there is no better golf experience than teeing-off on the crystalline shores of the Dominican Republic in the Caribbean. With elegant resort accommodations and private Villas, glorious landscapes and soon to be three championship golf courses, PUNTACANA Resort & Club is the hallmark and destination of choice in this magnificent golfer's paradise. P.B. Dye's championship **La Cana Golf Course** offers challenges against beauty, and is available to all PUNTACANA Resort & Club's guests, while the legendary Tom Fazio's new **Corales Golf Course** - available exclusively to residents of the Corales residential community and guests of Tortuga Bay and PUNTACANA Hotel - features a spectacular setting overlooking the Caribbean Sea. A second P.B. Dye designed course, the **Hacienda Golf Course**, is also in development, set to open in early 2012. Guests can enjoy available VIP whisking services to and from PUNTACANA International Airport, located 5 minutes from all courses and hotels. A private on property FBO is also available.
