

PUNTACANA

RESORT & CLUB

TENNIS CENTER

PUNTACANA Tennis Camp is directed by Felix De Los Santos, who is a certified tennis professional in:

- The USA Tennis Association (PTR)
- The International Tennis Federation ITF

PUNTACANA TENNIS CAMP

The PUNTACANA Tennis Camp's teaching staff offers professional tennis instructions for all ages and levels. During the classes, the tennis teachers use a variety of drills and games stimulating playing in teams. It is very important for PUNTACANA Tennis Camp's staff to know if the camper is working on any type of stroke with a private tennis instructor in order for the staff to continue reinforcing and improving the foundation that the camper already has.

During the PUNTACANA Tennis Camp, participants will have the opportunity to practice and improve all the tennis strokes. Skills will be developed through different teaching strategies under the supervision of Felix De Los Santos, who is a certified tennis professional and registered in the USA Tennis Association (PTR) as well as the International Tennis Federation ITF.

Mr. Felix De Los Santos and his team of professionals share their knowledge and expertise with campers. PUNTACANA Tennis Camp takes place in a healthy, safe, and fun environment where campers can enjoy and learn the entertaining sport of tennis. While playing tennis, children develop and improve physical and mental skills, a healthy competitive spirit, discipline, and much more.

TRANSPORTATION & LODGING:

Plane Transportation: If the camper is arriving by plane through the PUNTACANA International Airport or any other airport, please inform the PUNTACANA Tennis camp as soon as you have the camper's flight schedule. As soon as the camper comes out of customs, there will be a representative of the PUNTACANA Tennis Camp waiting to bring him or her to the courts!

Lodging: PUNTACANA Tennis Camp's staff will provide the lodging options via email or phone.

MEDICAL ASSISTANCE:

PUNTACANA Tennis Camp provides medical assistance in case it should be needed. (It is very important that the camper hands in his/her health insurance card on the first day of camp.) Parents should provide PUNTACANA Tennis Camp all the proper information of whether the camper is allergic to anything (medication, food, etc.).

PUNTACANA Tennis Camp requests this information in order to provide the appropriate assistance in case it is needed.

PERSONAL EXPENSES OF THE CAMPER:

PUNTACANA Tennis Camp recommends that the camper brings pocket money to be used during his/her stay. A staff member at PUNTACANA Tennis Camp will be in charge of administering the money and giving the camper a specific amount as previously determined by the parents.

EXITING PUNTACANA TENNIS CAMP:

Parents should send a formal signed authorization letter if they require the camper to be able to leave the PUNTACANA Tennis Camp premises for trips, movies, etc. The letter should include the dates, times and places the parents authorize the camper to visit, as well as a list of people that are authorized to pick up the camper.

LAUNDRY SERVICES :

Laundry service will be available for the camper once a week; each set of clothing should be properly labeled with the name of the camper.
