The Puntacana Resort & Club Estates is a magnificent paradise community that has been carefully planned and luxuriously executed to create an exclusive lifestyle of relaxation and understated elegance. Owners have a choice of sweeping views of the Caribbean or panoramas of manicured golf courses. Among your neighbors will be the likes of Oscar de la Renta, Julio Iglesias, and Mikhail Baryshnikov. Other features include championship golf courses, a Six Senses spa, a full-service marina, and world-class dining at eight restaurants. For the children or grandchildren, there is a private kids' club with a house staff and nanny services.

From exclusive Corales, with just 126 homesites and a private golf club, to Arrecife, which overlooks the ocean and the back nine holes of La Cana Golf Course, there is a community and an ambiance in the Estates for everyone.
